

REMARKS

The application has been amended to overcome the examiner's objections and rejections.

Claims 1-4 were rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, line 3, and 17-28, there was no antecedent basis for "the ceiling", "the canopy" and the "electrical connectors", respectively.

Claims 1-4 were seen to be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, second paragraph, set forth in the Office action.

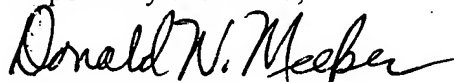

Claim 1 was amended on line 3 to change "the ceiling" to - - a ceiling - -, on line 17-18 to change "the canopy" to - - the bottom canopy - -, and on line 18, to change "the electrical connectors" to - - the electrical connector - - thereby overcoming the 112 rejection.

Claims 1-4 were seen to be allowable if amended to overcome the 112 rejection. Therefore claims 1-4 are now seen to be allowable.

In view of the above amendments and remarks, claims 1-4 are seen to be allowable. Reconsideration and allowance of claims 1-4 is respectfully requested.

No additional fee is seen to be due.

Respectfully submitted,

Donald W. Meeker
